Hotel Marienlyst er et internationalt anerkendt 4-stjernet hotel med 222 værelser, suiter og lejligheder samt udsøgte restauranter. Her kan De bo i alt fra enkeltværelser til 240 m² store suiter – alle med udsigt til enten Øresund eller haven. Og overalt hvor De færdes har vi indrettet os, så De hurtigt føler Dem velkommen – og ikke mindst hjemme.

Hotelllets bygninger fortæller en historie, der går helt tilbage til 1860. Dengang slog man dørene op for Danmarks første kur- og badehotel, indrettet i tidens ånd og med fremtidens teknik. I dag er faciliteterne takket være løbende modernisering så tidssvarende, at det – ifølge vore gæster – altid er en fornøjelse at tilbringe tiden her.

The Hotel Marienlyst is an internationally recognised 4-star hotel with 222 rooms, suites and apartments, as well as exquisite restaurants. Here you can stay in anything from a single room to a 240 m² suite – all with a view of either the Sound or the garden. And everywhere you go we have arranged things so you quickly feel yourself welcome – and not least, at home.

The hotel buildings tell a story that goes right back to 1860. That was when Denmark's first seaside hotel was opened – designed in the spirit of the time and with the techniques of the future. Today, thanks to constant modernisation, the facilities are so up-to-date that our guests say it is always a pleasure to spend time here.

Af alle skønne pletter på jorden er Marienlyst ved Helsingør helt sin egen. Med verdensmonumentet Kronborg som en synlig nabo, den svenske kystlinie som genbo og egen strandpark som en bølgende forhave, er forholdene uden for det internationale 4-stjernede hotel svære at undsige sig.

Of all the beautiful places on earth, Marienlyst near Helsingør is quite unique. With the world-famous Kronborg Castle as a visible neighbour, the Swedish coast just opposite, and its own beach park as a billowing front garden, it is hard to find fault with the surroundings of this international 4-star hotel.
